D5		Tableau	

PRACTICAL EXPERIENCE

ARCHITECTURAL INTERNSHIP

Studio PITCH | BANGALORE | JULY 2025 - NOV 2025

- Contributed to residential, office and lobby interior projects, supporting the design process from concept development to detailed documentation and execution.

- Developed design concepts, produced high quality 3D visualizations and renderings and prepared detailed architectural and interior drawings for project execution.

- Gained practical experience in interior design principles, construction detailing, material coordination and maintaining precision throughout the design and documentation process.

- Participated in site visits and execution reviews, strengthening technical, coordination, visualization and problem solving skills within a collaborative professional studio environment.
